Congratulations to your spot in the tournament!

We are overwhelmed that so many talented juniors want to play our tournament. Especially welcome to the International players. It feels great to be back at PGA Sweden National!

We remember how fun we had as juniors; practicing, playing and having fun with our friends at our home club. Golf has given us so many unforgettable memories and we'd like to give back by sharing our experiences. We look forward to meeting you and if you have any questions don't hesitate to ask!
