

Changing and showers for photo shooting and Opening Ceremony

Monday

All teams taking photos (10:30–11:15) can use the dressing rooms in the clubhouse. Best thing is if you arrive at the club in your team uniform. After taking your photo you change for golf clothes for your practice round. After your practice round you will have the opportunity to shower in Vittra skolan. It is a 600 meter walk from club house. Transportation by car is available from the parking area at the big tent from 15:00. Male Captains and male Team Advisors who want to change clothes in the morning can use the facilities around the storage room.
